EA Markets served as exclusive arranger and advisor in a preferred equity financing provided by Prudential Private Capital to Voyager Global Mobility, a leading strategic operator in the global mobility industry that works alongside Uber, Lyft, and Via to provide vehicles for its drivers.

NEW YORK ([PRWEB](#)) November 08, 2021 -- Voyager Global Mobility (“VGM” or “the Company”) acquired Fast Track Mobility, substantially increasing the Company’s for-hire-vehicle operational footprint in New York City. The transaction was arranged by EA Markets with preferred equity from Prudential Private Capital, the private capital arm of PGIM Inc., the \$1.3 trillion global investment management business of Prudential Financial, Inc. “VGM has been a friendly competitor with Fast Track for close to a decade and we are very excited to bring this operation under the VGM umbrella to synergistic benefit,” said Sam Jurkowicz, VGM’s Co-Founder & Co-CEO. Eric Rothman, Founder, CEO & President of Fast Track will stay on with the Company through the end of 2021 to help with the transition and will serve in an advisory capacity, thereafter.

“EA Markets exceeded our expectations at every turn and was instrumental in helping us successfully execute this complex transaction,” said Mr. Jurkowicz. Wayne Ackerman, VGM’s CFO, added that “EA Markets led the Company through a complex financing that provides us with the capital required to support VGM’s aggressive pursuit in becoming the most important mobility provider in New York City and abroad.”
